

Accent BH

Waiting Seating

Comfort and Versatility for Behavioral Health Seating

Enjoy the transformative versatility of the Accent BH Series, a Heavy-Duty Chair tailored for Behavioral Health environments. Accent BH effortlessly combines functionality and durability for common rooms, dining areas, and patient seating. With a fully welded design ensuring long-term structural integrity, this chair offers a compact footprint and provides comfort.

Features

- Fully welded design guarantees lasting structural integrity
- Clear, non-marring glides protect floors from potential damage
- Tamper-resistant fasteners prioritize safety and security
- The sled base allows chairs to be bolted to the floor
- A steel seat pan that adds weight and conceals upholstery staples

Options

- Custom frame finishes to suit your aesthetic
- Add personality with contrasting fabrics
- Optional Bolt-to-Floor Brackets
- Moisture Barrier to enhance longevity
