

Augustine

Patient Recliner

Healthcare Furniture

Augustine

Patient Recliner

The Augustine was developed to be 100% patient-centric, to be comfortable and help put the patient at ease. The result is an attractive and inviting clinically preferred recliner with unique solutions for enhanced clinical utility. Developed in conjunction with Oncology clinics, Augustine is also ideally suited for use in infusion centers, patient rooms, recovery, and long-term care. The Augustine comes standard with manual recline and central locking brakes.
