Hanger

BH Heavy Duty

The JT-903 BH Hanger is designed for use with the J-Trac system, providing a safe, anti-ligature clothing storage solution for Behavioural Health environments. It releases under 3.9 kg of force to reduce ligature risks, while its one-piece construction prevents disassembly for added safety.

Width	15.35"
Height	6.69"
1 Hanger Release Weight	8.60 lbs
5 Hanger Release Weight	29.98 lbs
