Hanger

BH Light Duty

The HS-907 BH Healsafe Light-Duty Hanger provides a safer clothing storage solution for high-risk environments. Its ligature-resistant design releases under excessive vertical force, with a single hanger releasing at 3.9 kg and five hangers at a combined 13.6 kg. Made from soft polyurethane foam with a durable plastic disc, both components can be ordered separately for easy replacement.

Width	16.54"
Height	7.87"
1 Hanger Release Weight	8.60 lbs
5 Hanger Release Weight	29.98 lbs
