# Modern Comfort, Strong Design

The Huxley Lounge collection showcases a contemporary style matched with excellent structural integrity. This line of seating, benches, and coordinated tables is an excellent choice for modern healthcare environments. Its confident, squared frames make the most out of the available space without compromising aesthetics.

# Huxley

## Lounge Collection

### Features

- Concealed clean-out space between seat and back
- A strong structure with soft edges that promote safety
- Heavy-duty glides are non-marring to protect floors from damage
- No visible fasteners for a sleeker look

### Options

- Choice of wood, polyurethane, or solid surface arm caps
- Powder-coated steel legs or wood legs
- Variety of contrasting fabrics
- Power outlet/USB charging port options
- Moisture barrier for longevity
- Custom leg and arm cap finishes to tailor the seating to your preference
