Mini Narcotics Cabinet

Single Locking Outer Door

The NC09B07-ST1 Narcotics Cabinet provides secure medication storage for hospitals, long-term care facilities, and veterinary clinics. Constructed from durable 20-gauge steel with a heat-sealed powder-coated finish, it features a single key lock with four keys. Measuring 9" H x 7" W x 6" D and weighing just 5 lbs, its compact design is ideal for wall-mounted storage of smaller medication quantities.
