Small Narcotics Cabinet

statmedical
we take care

This compact double-door narcotics cabinet provides secure medication storage with heavy-duty 20-gauge steel construction and two individually keyed, pick-resistant tubular locks, each supplied with four keys. It features one adjustable or removable shelf, a beige finish, and pre-drilled holes for easy wall mounting. Measuring 16" H x 12" W x 8" D and weighing 15 lbs, it offers secure and convenient controlled substance storage.
