

# Quantum

## Seating Collection

# A versatile healthcare seating solution

The Quantum seating line is a series of spacious, sturdy chairs designed to complement a room's purpose. Its comfortable versatility makes it a smart addition to any healthcare space, including waiting areas, cafeterias, patient rooms, or even as a guest chair in administrative spaces.

# Quantum Seating Collection

## Features

- Fully welded design ensures long-term structural integrity
- Clear glides are non-marring to protect floors
- Curved back and waterfall seat provides enhanced comfort
