

SC519

Sleeper Bench

One for Tight Spaces

The SC 519 sleeper bench is a compact and stylish seat for multiple visitors that transforms into a remarkably comfortable sleeping surface. An excellent alternative for spaces where a regular sofa won't fit. Its trim, 21" depth extends to 36" in a few simple adjustments.

Features

- Small footprint
- Pull-out mechanism
- Large, low sleep surface

Options

- Polyester, Upholstered, or wood arm caps
- Upholstered, laminate, or thermofoil front kick panel
