

# SC900

## Sleep Chair

# Transforming Patient Rooms with Comfort and Versatility

Experience the ultimate blend of user-friendly design, ease of cleaning, and space-saving functionality with the SC900 Sleep Chair. Tailored to meet the specific constraints of patient rooms, the SC900 is available as a versatile sleep sofa with back and arms or as a compact bench sleeper, allowing you to customize it based on the available space.

## Features

- Heavy-duty concealed slide mechanism reduces pinch points for safety
- Large 76" x 35" sleep surface that is easy to clean and maintain
- Field-replaceable arm caps and feet for long-term functionality and aesthetics

## Options

- Wood, polyurethane, or solid surface arm caps
- Wood, powder-coated legs, or casters for added mobility
- Moisture barrier for enhanced durability
- Variety of contrasting fabrics to suit your aesthetic
- Customize the finish to complement your space
