

Station One

Carpal Arm and Hand Table

Minor Equipment

Station One

Carpal Arm and Hand Table

The SO330 Station One Carpal Arm and Hand Table provides exceptional rigidity while maintaining C-arm access during procedures. Its large 18" x 32" operating surface securely attaches to operating room tables using unique Posi-lock clamps, making it ideal for carpal tunnel procedures. Includes a standard 2" pad.

Depth	18"
Width	32"
Weight	11 lbs
