Station One

Hourglass Arm and Hand Table with Leg

statmedical
we take care

The SO320 Station One Hourglass Arm and Hand Table with Leg features a radiolucent, hourglass-shaped surface for excellent C-arm imaging and surgeon comfort. Its 15" x 32" operating surface expands to 24" at the ends, with reinforced edges and integrated Posi-Lock clamps for secure attachment to OR tables. Available with single or double foot configurations, it offers up to 12" of leg adjustment, an optional Add-A-Rail for accessories, and an included 2" pad.

SO320
