Station One

SS 5-Leg Compact IV Pole

statmedical
we take care

The Station One Stainless Steel Compact Base IV Pole (5-Leg) features a space-saving 16" diameter base weighing 21 lbs, with 3" scuff-resistant casters for smooth mobility. Its 1" stainless steel pole adjusts from 50" to 92" using a friction-lock knob, while rubber bumpers protect walls and equipment. Available in five base colours with 2-, 4-, or 6-hook configurations.
