Toilet Paper Holder

statmedical
we take care

The JT-200 Toilet Paper Holder features sloped edges, flexible holders, and rounded corners to help prevent ligature risks. Tested to release under a 9 kg vertical load, it withstands 1,000 release cycles while maintaining its shape and function. Designed and manufactured in Sweden, it provides a durable, safety-focused solution for high-risk environments.

Depth	0.79"
Width	6.30"
Height	5.91"
