Verity

BH Lounge Collection

statmedical
we take care

Verity BH brings a soft, home-like feel to Behavioural Health spaces with rounded edges and comfortable seating suited for extended use. Built for high-use environments, it features weighted construction, a non-removable seat cushion, steel legs, no exposed staples or fasteners, and a seamless seat front. A concealed clean-out between the seat and back supports easier upkeep, and the collection is BIFMA X5.4-2012 certified with multiple options available.
