

Vista

Waiting Seating

Harmonizing Durability and Design in Healthcare Spaces

Elevate healthcare waiting areas with the Vista Series, a seamless blend of sleek design and robust construction. Engineered for the demands of 24/7 healthcare environments, Vista brings style and durability to the forefront. With thoughtful design and a range of special features, it ensures outstanding performance without compromising on aesthetics.

Vista

Waiting Seating

Features

- 14-gauge internal steel seat frame for structural integrity
- Field-replaceable wood frames and upholstery for convenience
- Wall saver leg design to protect walls from damage
- Concealed cleanout space between the seat and back for easy maintenance

Options

- Flex-back options available for 21" and 24" guest and highback chairs
- Choose polyurethane arms for added comfort
- Select between round or square back shapes to suit your preference
- Customize with a variety of wood frame finishes
- Explore a range of contrasting fabrics for a personalized touch
- Opt for a moisture barrier to enhance longevity
