we take care

The Wall-Mounted LTC Medication Cabinet provides secure, space-saving medication storage with a home-like wood vinyl finish. Constructed from durable powder-coated steel with an aluminum door, it accommodates up to 40 punch cards or a combination of punch cards and liquid medications. Features include a key lock, drop-down shelf, one-handed slam lock, and mounting hardware. Optional electronic locking, narcotics storage, and door configurations are available. Includes a 12-year manufacturer's warranty.
