SC210

Sleep Chair

Who says that elegance and comfort can't also be functional? The SC210 is the perfect balance of these features, providing the necessary features that make it health grade furniture.

This sleeper is made specifically for patient rooms and other areas of the health center where overnight visitors are welcome. The design is such that the visitors view is not blocked while sleeping.

The SC210 is designed for health care facilities with a highly rated upholstery, suited for wipe down and high durability to abrasion.
