Lounge Seating

RIVIERA

Lounge Seating

The transitional style of the Riviera lounge collection is at home in acute care and long-term care environments. It's easy to clean. The tight-fitting, seat cushion is removable and rests on an open seat frame, so dirt isn't trapped below the seat. Options include contrasting fabrics and a moisture barrier. Select the tapered, field-replaceable legs in 8 wood finishes or a metal leg in 6 powder-coat finishes. Group the Riviera chair with a matching loveseat or sofa.

Features

- Removeable seat cushion
- Flow-through seat design for easy cleaning
- Seat cover front is seamless for durability

Options

- Wood or powder-coated steel legs
- Contrasting fabrics
- Moisture barrier
