## Sleep Chair

Comfortable, versatile, and extremely accommodating, the innovative SC800 Side sleeper provides an attractive 2-in-1 Seating/sleeping solution for overnight guests in patient rooms.

The SC800 side sleeper, which can be specified to open to the left or right, is ideal for small spaces unable to accommodate a typical sleep surface that pulls out into the room. This design also utilizes typically wasted spaces, such as alcoves or under windowsills. The SC800 side sleeper is available in multiple configurations with your selection of upholstery and accessories.

### Features

- Limited Lifetime warranty
- Field-replaceable upholstery covers
- 1000lb. static load weight rating
- Central locking casters
- 28x80" sleep surface

### Options

- Optional wood or polyurethane arm caps
- Custom finishes
- Contrasting fabrics
- Moisture barrier
