Waiting Area Tables

Although designed to complement our individual healthcare seating products, our collection of occasional tables can be mixed and matched or specified on their own, as a finishing touch for any healthcare space.

Featuring a combination of European Steamed Beech, powder-coated 14-gauge steel and high pressure laminate components, these tables are built to exceed BIFMA standards, and are designed for placement in 24/7 healthcare environments.

Features

- Many styles available
- Designed to complement individual seating products
- Table tops come with matching protective edging

Options

- Custom laminate colors
- Custom powder-coated steel colors
- Various styles and sizes available
- Solid surface or thermoformed top
- Different edgings available on select models
