Behavioral Health Seating

LEGEND HD

Behavioral Health Seating

Legend seating for Behavioral Health provides durability and safety in an attractive design. The chair is designed with a fully welded steel frame, which reduces dependence on fasteners. A sled base is standard, and the chair features added weight to inhibit handling. Legend is assembled with tamper-resistant fasteners, and there are no exposed staples. The line includes square and rectangular freestanding tables.

Features

- Limited lifetime warranty
- Fully welded 14-gauge steel frame
- Tamper-resistant fasteners
- Wall saver leg design
- Non-removeable nylon glides

Options

- Custom frame and arm cap finishes
- Wood, polyurethane, or solid surface arm caps
- Contrasting fabrics
- Bolt-to-floor brackets
- Added weight
- Moisture barrier
