

GUARDIAN RISE

Height Adjustable Bassinet

GUARDIAN RISE

Height Adjustable Bassinet

The GUARDIAN RISE bassinet has two distinct parts, a tub with a mattress which sits on top of the mobile storage cabinet. Height adjustment levers are on all 4 corners for ease of use, and the modern design conveys the warmth of home while also providing a level of ergonomics to the caregiver.

Features

- Aluminum columns
- Smooth height adjustment
- Stainless steel push handles
- Trendelenburg positioning using C-hooks
- Curved base panel for easy access
- Height adjust levers on all 4 corners

	Depth	Width	Height
